

Washington Park  
EARLY LEARNING CENTER

# OPEN HOUSE

Saturday, November 13th, 2021 \* 10:00-11:30am  
400 S. Williams St. \* Denver, CO 80209  
(Please park in the parking lot on the corner of Dakota and Williams)

Tour our classrooms with staggered walk-throughs, then meet our amazing teachers and current families on the playground for a brief overview of our school's approach to early childhood education.

\*Masks required.

## PRESCHOOL (3 1/2 - 5 YEARS)

Designed to promote a young child's social and emotional development, the preschool class fosters intellectual growth through experiential learning in an experience-based environment.

## EARLY LEARNER (2 1/2 - 3 1/2 YEARS)

This class reflects the needs and interests of young learners, and provides them an opportunity to learn and socialize in a stimulating, nurturing, safe and experientially rich environment.

## PARENT TOT (1 1/2 - 2 1/2 YEARS)

A great intro to the classroom for little ones, this class allows parents to learn alongside their children as the teacher models meaningful and age appropriate activities and skills including effective use of language, conflict resolution, etc.

## SUMMER CAMP (3 - 6 YEARS)

Our summer camps keep imagination brewing over the summer break with fun themes that also exercise the body in addition to the mind.
